

(ANGUILLA) FINANCIAL SERVICES COMMISSION

BOARD VACANCY

Board Member, Financial Services Commission

Anguilla, British West Indies

The (Anguilla) Financial Services Commission is an independent, statutory organisation created by the Financial Services Commission Act, R.S.A. c. F28. Currently, the AFSC is seeking potential candidates who wish to join its Board, pending approval by the Her Excellency, The Governor.

The Board establishes the policy of the AFSC and monitor and oversee its implementation, monitors and oversees the management of the AFSC by the Director/CEO, sets the budget and annual work programme of the AFSC for submission to the Governor and to appoint a suitably qualified person to audit the AFSC's accounts; and identify and classify senior management positions in the Commission and to identify suitably qualified persons for appointment to those positions.

Potential candidates must have a graduate or post graduate degree in Business Administration, Finance, Banking, Management, Law, Psychology, or related, or equivalent as well as at least ten years working experience in senior managerial level, experience in financial services, governmental, legal and or related areas as well as experience on a Board are welcome additions. Experience on a similar board of directors, though not essential, is definitely an asset.

Further details may be found on the Commission's website at www.fsc.org.ai

The deadline for receipt of applications is **4 February, 2025**.
